**Recycle Set out time / Placement:**

Recycle will be picked up in front of your home, please place at curbside by 7:00 a.m. on your service day.

When placing both carts out on service days, please place at least **four feet** apart to ensure proper lifting. Avoid unsafe placement of carts near or under power lines, fencing, telephone poles, mail boxes, utility meters, parked cars and low lying trees. Such conditions or piles mixed with other materials will be a cause for exclusion from regular service pick up.
