SUBMISSION OF ROLL TO GOVERNING BODY CODE SEC. 26.04(b)

I, Michelle Matus, PCC, Tax Assessor-Collector for Bee County, Texas, do hereby submit the Submission of Roll to Governing Body on this, the 1st day of August 2022, under Section 26.04(b) of the Texas Property Tax Code.

Taxing Jurisdiction:

City of Beeville

2022 Appraised Value

\$ 639,674,264

2022 Assessed Value (100% Market Value)

\$ 872,028,463

2022 Taxable Value

\$ 653,444,664

2022 Taxable Value - New Property

\$ 4,525,320

2022 Anticipated Debt Collection Rate

110 %

2021 Excess Debt Collections

\$ 97,555

Respectfully Submitted,

Michelle Metus, PCC

Tax Assessor-Collector

Bee County, Texas

MICHELLE MATUS, PCC

Bee County Tax Assessor-Collector 411 E. Houston St * PO Box 1900 Beeville, TX 78104 Office: (361) 621-1554 Fax: (361) 358-5417 Email:

July 25, 2022

Debt Certification Required by Truth-in-Taxation Procedures

Truth-in-Taxation procedures require the collector for BEE COUNTY to certify excess debt tax collections each year. As your tax collector, I hereby certify the excess debt collections from the 2021 property taxes are 47,555.40 , as the estimated debt collection rate of 100% was used in the 2021 voter-approval rate calculations.
The same laws also require a certified anticipated debt collection rate for the upcoming tax year. You have submitted a required debt payment (to be paid from the 2022 tax levy) of $\frac{1,719,498}{}$.
I hereby certify 1000 as the 2022-estimated debt collection rate to be used in the 2022 voter-approval rate calculations so long as it is not lower than each of the three prior years collection rates. Should it be lower than all three prior years; the lowest rate of the three prior years will have to be used in the calculations per Texas Property Tax Code.
Sincerely.

Michelle Matus PCC,

Form 50-856

2022 Tax Rate Calculation Worksheet Taxing Units Other Than School Districts or Water Districts

City of Beeville Taxing Unit Name	361-358-4841 Phone (area code and number)
400 N Washington, Beeville, TX 78102	www.beevillelx.org
Taxing Unit's Address. City. State, ZIP Code	Taxing Unit's Website Address

GENERAL INFORMATION: Tax Code Section 26.04(c) requires an officer or employee designated by the governing body to calculate the no-new-revenue (NNR) tax rate and voter-approval tax rate for the taxing unit. These tax rates are expressed in dollars per \$100 of taxable value calculated. The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll and the estimated values of properties under protest. The designated officer or employee shall certify that the officer or employee has accurately calculated the tax rates and used values shown for the certified appraisal roll or certified estimate. The officer or employee submits the rates to the governing body by Aug. 7 or as soon thereafter as practicable.

School districts do not use this form, but instead use Comptroller Form 50-859 Tax Rate Calculation Worksheet, School District without Chapter 313 Agreements or Comptroller Form 50-884 Tax Rate Calculation Worksheet, School District with Chapter 313 Agreements.

Water districts as defined under Water Code Section 49.001(1) do not use this form, but instead use Comptroller Form 50-858 Water District Voter-Approval Tax Rate Worksheet for Low Tax Rate and Developing Districts or Comptroller Form 50-860 Developed Water District Voter-Approval Tax Rate Worksheet.

The Comptroller's office provides this worksheet to assist taxing units in determining tax rates. The information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

SECTION 1: No-New-Revenue Tax Rate

The NNR tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of taxes (no new taxes) if applied to the same properties that are taxed in both years. When appraisal values increase, the NNR tax rate should decrease.

The NNR tax rate for a county is the sum of the NNR tax rates calculated for each type of tax the county levies.

While uncommon, it is possible for a taxing unit to provide an exemption for only maintenance and operations taxes. In this case, the taxing unit will need to calculate the NNR tax rate separately for the maintenance and operations tax and the debt tax, then add the two components together.

Line	L No New Revenue Tax Rate Worksheet	Amount/Rate
1,	2021 total taxable value. Enter the amount of 2021 taxable value on the 2021 tax roll today. Include any adjustments since last year's certification; excludeTax Code Section 25.25(d) one-fourth and one-third over-appraisal corrections from these adjustments. Exclude any property value subject to an appeal under Chapter 42 as of July 25 (will add undisputed value in Line 6). This total includes the taxable value of homesteads with tax ceilings (will deduct in Line 2) and the captured value for tax increment financing (adjustment is made by deducting TIF taxes, as reflected in Line 17).	\$ 641,631,731

27.	COUNTIES ONLY. Add together the NNR tax rates for each type of tax the county levies. The total is the 2022 county NNR tax rate. ²¹	\$/\$100

SECTION 2: Voter-Approval Tax Rate

The voter-approval tax rate is the highest tax rate that a taxing unit may adopt without holding an election to seek voter approval of the rate. The voter-approval tax rate is split into two separate rates:

- 1. Maintenance and Operations (M&O) Tax Rate: The M&O portion is the tax rate that is needed to raise the same amount of taxes that the taxing unit levied in the prior year plus the applicable percentage allowed by law. This rate accounts for such things as salaries, utilities and day-to-day operations.
- 2. Debt Rate: The debt rate includes the debt service necessary to pay the taxing unit's debt payments in the coming year. This rate accounts for principal and interest on bonds and other debt secured by property tax revenue.

The voter-approval tax rate for a county is the sum of the voter-approval tax rates calculated for each type of tax the county levies, in most cases the voter-approval tax rate exceeds the no-new-revenue tax rate, but occasionally decreases in a taxing unit's debt service will cause the NNR tax rate to be higher than the voter-approval tax rate.

SECTION 3: NNR Tax Rate and Voter-Approval Tax Rate Adjustments for Additional Sales Tax to Reduce Property Taxes

Cities, counties and hospital districts may levy a sales tax specifically to reduce property taxes. Local voters by election must approve imposing or abolishing the additional sales tax. If approved, the taxing unit must reduce its NNR and voter-approval tax rates to offset the expected sales tax revenue.

This section should only be completed by a county, city or hospital district that is required to adjust its NNR tax rate and/or voter-approval tax rate because it adopted the additional sales tax.

¹⁴ Tex. Tax Code § 26.04(c)

³⁷ Tex. Tax Code § 26.045(d)

SECTION 5: Voter-Approval Tax Rate Adjustment for Unused Increment Rate

The unused increment rate is the rate equal to the difference between the adopted tax rate and voter-approval tax rate before the unused increment rate for the prior three years. In a year where a taxing unit adopts a rate by applying any portion of the unused increment rate, the unused increment rate for that year would be zero.

The difference between the adopted tax rate and voter-approval tax rate is considered zero in the following scenarios:

- a tax year before 2020; 40
- a tax year in which the municipality is a defunding municipality, as defined by Tax Code Section 26.0501(a); 41 or
- after Jan. 1, 2022, a tax year in which the comptroller determines that the county implemented a budget reduction or reallocation described by Local Government Code Section 120.002(a) without the required voter approval. 42

This section should only be completed by a taxing unit that does not meet the definition of a special taxing unit.

63.	2021 unused increment rate. Subtract the 2021 actual tax rate and the 2021 unused increment rate from the 2021 voter-approval tax rate, if the number is less than zero, enter zero.	\$0/\$100		
64.	2020 unused increment rate. Subtract the 2020 actual tax rate and the 2020 unused increment rate from the 2020 voter-approval tax rate. If the number is less than zero, enter zero.	\$0/\$100		
65.	2019 unused increment rate. Subtract the 2019 actual tax rate and the 2019 unused increment rate from the 2019 voter-approval tax rate. If the number is less than zero, enter zero. If the year is prior to 2020, enter zero.	\$0/\$100		
66.	2022 unused Increment rate. Add Lines 63, 64 and 65.	\$0/\$100		
67.	2022 voter-approval tax rate, adjusted for unused increment rate. Add Line 66 to one of the following lines (as applicable): Line 49, Line D49 (disaster), Line 50 (counties), Line 58 (taxing units with pollution control).	\$0.47169/\$100		

SECTION 6: De Minimis Rate

The de minimis rate is the rate equal to the sum of the no-new-revenue maintenance and operations rate, the rate that will raise \$500,000, and the current debt rate for a taxing unit. This section should only be completed by a taxing unit that is a municipality of less than 30,000 or a taxing unit that does not meet the definition of a special taxing unit.

SECTION 7: Voter-Approval Tax Rate Adjustment for Emergency Revenue Rate

In the tax year after the end of the disaster calculation time period detailed in Tax Code Section 26.042(a), a taxing unit that calculated its voter-approval tax rate in the manner provided for a special taxing unit due to a disaster must calculate its emergency revenue rate and reduce its voter-approval tax rate for that year.46

Similarly, If a taxing unit adopted a tax rate that exceeded its voter-approval tax rate, calculated normally, without holding an election to respond to a disaster, as allowed by Tax Code Section 26.042(d), in the prior year, it must also reduce its voter-approval tax rate for the current tax year. **

This section will apply to a taxing unit other than a special taxing unit that;

- directed the designated officer or employee to calculate the voter-approval tax rate of the taxing unit in the manner provided for a special taxing unit in the prior year; and
- the current year is the first tax year in which the total taxable value of property taxable by the taxing unit as shown on the appraisal roll for the taxing unit submitted by the assessor for the taxing unit to the governing body exceeds the total taxable value of property taxable by the taxing unit on January 1 of the tax year in which the disaster occurred or the disaster occurred four years ago.

[&]quot; Tex. Tax Code \$26.042(f)

This section will apply to a taxing unit in a disaster area that adopted a tax rate greater than its voter-approval tax rate without holding an election in the prior year.

Note: This section does not apply if a taxing unit is continuing to calculate its voter-approval tax rate in the manner provided for a special taxing unit because it is still within the disaster calculation time period detailed in Tax Code Section 26.042(a) because it has not met the conditions in Tax Code Section 26.042(a)(1) or (2).
