**Public Notice Mandatory Language for Monitoring and Reporting Violation
Operational Evaluation Report**

The **CITY OF BEEVILLE** PWS ID **0130001** has violated the monitoring and reporting requirements set by Texas Commission on Environmental Quality (TCEQ) in Chapter 30, Section 290, Subchapter F. Public water systems in exceedance of an operational evaluation level are required to conduct an evaluation of their source water, treatment and distribution operations and submit a report of their findings to the TCEQ.

We failed to conduct an operational evaluation and/or submit a report to the TCEQ.

This/These violation(s) occurred in the monitoring period(s): 1Q2022

We are taking the following actions to address this issue:

The City of Beeville and Inframark, our water treatment plant operator, is taking proactive actions to address the submittal of the Operational Evaluation Report when our system has an exceedance of Operational Evaluation Levels.

Please share this information with all other people who drink this water, especially those who may not have received this notice directly (i.e., people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

If you have questions regarding this matter, you may contact:
